Organize

A Study Day on :

***Incorporating e-learning platforms
in Higher education to support ESP teaching***

March 19, 2019

(Site des 30 laboratoires/Nouveau Pôle)

Theme

This study day will bring together researchers and practitioners to discuss key topics and research findings in the field of integrating new technologies in English for Specific Purposes (ESP) contexts. In this meeting, new trends and issues related to E-learning will be of particular interest.

Scientific Committee

Pr. Haféda HAMZAOUI

Dr. Chemseddine LAMRI
